

Made with EPDM rubber, Twist is created with a blend of subtle shade and color variations in multiple granule sizes. Available in 4 speckled colors, 4 saturated colors and 9 refined neutrals, Twist offers uniquely textured rubber flooring suitable for a variety of commercial applications. USA made Twist is durable, can handle heavy rolling loads, offers comfort underfoot and good sound absorption. To ease maintenance, Twist requires two coats of a site-applied polyurethane finish after installation. Once applied Twist can be easily maintained like other Capri products with polyurethane-coated floors.

Standard size 4' wide rolls:

- 3.2mm
- 8.2mm (double layer installation, 3.2mm over 5mm)
- 12.2mm (double layer installation, 3.2mm over 9mm)

Non-standard sizes:

- 2' x 2' x 3.2mm square edge tiles (incremental minimums will apply)
- 2' x 2' x 1" Twist XL tiles (minimums will apply)
